Commissioners of the Town of St. Michaels  
St. Michaels, Maryland

The Commissioners of St. Michaels met with the St. Michaels Utilities Commission and Carlton H. Fairbank, General manager, at a special joint meeting held on Tuesday November 6 1961 at the offices of Mr. Guy W. Rees, Jr.

A report by the Utilities Commission <sup>held that morning at the Public Service Commission's office</sup> of a meeting with engineers and officers of the Public Service Commission, the Eastern Shore Public Service Company of Maryland and the Choptank Electric Cooperatives of the Rural Electrification Administration was made.

The meeting which had been requested by the Choptank Electric Cooperatives was a consultation with engineers and officers of the Public Service Commission <sup>including</sup> Mr. Dean, Executive Secretary, Mr. Hugh Hunter, Chief Engineer and three Rate Engineers, Mr. Jennings B. Sullivan <sup>Mr.</sup> Alex J. Spencer & Mr. Carlton H. Fairbank of St. Michaels Utilities Commission and William B. Rafferty, Esq. of Miles and Stockbridge, attorneys for St. Michaels Utilities Commission; Mr. Douglas Appleby, Public Relations and Mr. Welf, attorney for the Eastern Shore Public Service Company of Maryland; Mr. Francis Yorman, manager and Wilbert Merriken, Esq. atty, for the Choptank Electric Cooperatives and their engineers.

Choptank Electric Cooperative requested that they be allowed to purchase current direct from the Eastern Shore Public Service Company of Maryland for the Royal Oak - Bellemé area which they supplied & serviced and not through the St. Michaels Utilities Commission as their present contract <sup>with St. Michaels</sup> called for and ~~was~~ which St. Michaels now controlled because of its contract with Eastern Shore Public Service Company of Maryland.

St. Michaels Utilities Commission was also represented at this consultation and had facts & figures to prove that the customers <sup>of the area in question</sup> were being served now at a lower rate than would probably be allowed if they were sold thru the requested channel and that St. Michaels customers would benefit more by our supplying this source because of our greater purchasing power which would be lessened if this outlet was released from us.

Mr. Rafferty proposed that the Choptank Electric Cooperative sell its poles, lines, facilities etc in the Royal Oak - Bellemé area at a price arrived at by the appraiser from the Public Service Commission, the price to be agreeable and satisfactory to St. Michaels Utilities Commission and the Commission.

#### RESOLUTION OF THE TOWN COMMISSIONERS OF ST. MICHAELS, MD.

Whereas the Commissioners of St. Michaels advertised and received bids under date of December 15, 1950 for the construction of a sanitary sewer system and sewage treatment works for the Town of St. Michaels, and,

Whereas the combination of the low bids received indicated that it was cheaper to construct the sewage system under Scheme No. 1 than it would be under Scheme No. 3, the low bid under Scheme No 1 being \$604,052.20. and,

Whereas the sum of money available for the construction of this project is \$250,000.00 and,

Whereas based upon the bids received it would be impossible to reduce the construction cost by the elimination of sewer lines, etc. to bring the cost of the construction of the project within the sum of money available.

Now, therefore, be it resolved that the Commissioners of St. Michaels reject all bids received and return to each of the contractors bidding upon the project the bid bonds which were submitted with each individual bid and,

Be it further resolved that the Commissioners of St. Michaels readvertise for bids upon this project if and when the world conditions become stabilized so that construction costs might be received which are in keeping with the price levels at the time.

Mary A. Sewell, Town Clerk

At a regular meeting of the Commissioners of St. Michaels, held on May 13, 1952, Resolutions were adopted in respect to the death of Norman M. Shannahan, who died on May 8, 1952, at the age of 73 years. These Resolutions are as follows:

RESOLVED, That in Norman M. Shannahan there were embodied so many of the finer and nobler qualities, which, with his sympathetic understanding of other persons, and his unflinching courtesy and cheerfulness, drew to him his host of devoted friends who will long cherish his memory.

Always devoted to high ideals and their application to everyday living, he occupied an outstanding position in this community. Whether in matters pertaining to his own extensive business interests or as President and Director of St. Michaels Bank, or in his public duties as President of St. Michaels Utilities Commission and as Chairman of the Talbot County Welfare Board, or in his religious duties as Vestryman of the St. Michaels Protestant Episcopal Church, or in his fraternal relations, he being a member of the Independent Order of Odd Fellows, or simply in his associations among his friends, and as a true Christian gentleman, Norman M. Shannahan typified the highest and best in daily living.

His life's work is well worthy of emulation and he will be greatly missed in this Community.

It is further

RESOLVED, That the Commissioners of St. Michaels do now express deep sorrow occasioned by the passing of Norman M. Shannahan and that as an expression of our deep sympathy, copies of these Resolutions be engrossed and tendered to his widow and family and to the press of Talbot County for publication.

He also asked if the Town could do something about the stumps in front of his property and also if it would be possible for the Town truck to haul some trash away for him. All the commissioners were agreed to allow him run the pipe and do what they could about the stump, also to have the truck haul his trash away.

A motion was made and carried to adopt the following:

1 - There shall be a charge of \$10.00 to tap the water main.

2. All town employees shall receive their pay checks on Saturday of each week unless a legal holiday shall make such pay day impractical.

3 - The following shall be the policy pertaining to sick leave:

an employee with at least one year service shall be entitled to one week.

An employee with at least two years service shall be entitled to two weeks.

An employee with over 40 years service shall be

entitled to four weeks.

4- The vacation shall be based on the same length of service except no employee shall receive more than two (2) weeks vacation.

The completion of the Pumping Station was discussed.

The clerk to write to Mr. Brighton and tell him the Commissioners are unable at this time to find a spot for him, but would keep him in mind.

The clerk to write to Lester Roe and inform him the board has agreed to buy him three shirts and a pair of uniform trousers.

There being no further business the meeting adjourned.

Mary A. Swell, clerk.

May 12, 1953

The regular monthly meeting of the Town Commissioners was held in the Town Office at 7:30 P.M. Those present were James M. Hall, R. Eugene Rude, Melvin Lebrity, Roney & Don. Lebrity, Robert Heeson and W. H. G. Boulbourne.

The minutes of the last meetings were read and approved. Representatives from John C. Louis Company, Inc. came before the board to discuss the purchase of street equipment especially a power spray for asphalt.

A motion was made by Mr. Lebrity and seconded by Mr. Rude to buy a power unit sprayer for asphalt. Motion passed.

A letter from H. H. Gristman asking the Commissioners to pay for the shrubbery. Bill of \$36 <sup>75</sup>/<sub>100</sub> inclosed also to have his cinder block wall fixed as soon as possible.

A motion was made by Mr. Lebrity and seconded by Mr. Rude to pay the bill of \$36.75. The clerk to write and tell Mr. Gristman that we have contacted the contractors to have his wall fixed as soon as possible, also thank him for his cooperation.

A letter from the State Roads Commission about fixing the Highway from Easton to Blairborne and Tylman was read. No action.

A letter from G. Dawson Taylor was read. He requested the Commissioners to give the utmost consideration to black topping Grace Street from the bridge to the Electric plant.

In relation to this George C. Barr, Inc. estimate was read. The estimate was as follows. For grading and surfacing from Main St. to the bridge 16' wide, the price will be \$896.40. From bridge to Electric plant, the price will be \$426.60.

A motion was made and carried to allow the repair of Grace Street ride until the Commissioners get another bid.

The clerk to write to Dawson Taylor and tell him that due to the prohibitive cost we would be unable to blacktop that section of Grace Street at this time but that we will grade it.

The Zoning bill in regards to incorporated towns was read. Mr. Hall has suggested that he draw up the necessary ordinance for zoning so the town would have control over the mile limit outside of the corporate limits of the

town. It was decided not to take any steps until after the county meeting May 16<sup>th</sup>.

A letter from the State Department of Health in regards to our water supply was read. They stated that our water supply at this time was not up to standard. We are in hopes that it is just temporary due to so many broken pipes when the sewer line was being put in and that when the sewerage system goes in effect it will help the quality of our water.

A letter was received from Mr. David McDonald of Rockville asking for the name of our attorney. The clerk to send Mr. Gillis's name & address.

Jesse Webb asked to have a 12' section of pipe put across the ditch in his driveway on Fremont Street. It was so ordered.

Decision on what to do about replacing the sidewalks on Galbot Street to be held up until they finish laying the sewer line in that section.

The clerk to write to Lyle Signs Inc. asking for prices on signs.

There being no further business the meeting adjourns.

Mary A. Smith, Clerk

#### SECTION VII—Definitions

**Animal Boarding Place:** Any building or buildings designed or arranged for the boarding, breeding, or raising of dogs, cats, and other animals, but not including stables.

**Apartment House:** A building containing three or more dwelling units.

**Automobile Filling Station:** A building or lot having pumps and storage tanks at which fuels, and accessories for the use of motor vehicles are sold at retail.

**Automobile Garage, Public:** Building or portion thereof, other than an automobile sales room, held out or used for the housing of six or more motor vehicles, where service or repair facilities, if any, are provided for the principal use for storage. Such garage shall not be considered an accessory use; nor shall it be used for the storage of damaged or wrecked motor vehicles, parts thereof, or junk.

**Automobile Off-Street Parking Area:** A parcel of land, lot, or lots, or portions thereof, required in accordance with these regulations, to provide off-street automobile parking.

**Automobile Parking Lot, Commercial:** A lot or portion thereof, other than an automobile sales lot, held out or used for the storage or parking of six (6) or more motor vehicles, where service or repair facilities are not permitted. Such parking lot shall not be considered an accessory use; nor shall it be used for the storage of damaged or wrecked motor vehicles, parts thereof, or junk.

**Automobile Repair and Service Station:** Building, lot, or portion thereof, where the business of general motor vehicle repair and service is conducted, but excluding sale of agricultural products grown or produced on the premises upon which such stand is located.

**Automobile Sales Lot:** A lot arranged, designed, or used for the storage and display of new or used motor vehicles or any type of trailer provided the trailer is unoccupied, and where no repair work is done except minor incidental repair or subsequent alterations displayed and sold on the premises.

**Billboard:** See "Sign".

**Board:** The Board of Zoning Appeals.

**Boarding House:** A dwelling containing not more than nine (9) guest rooms where lodging or meals, or both are provided.

**Building, Accessory:** A building subordinate to, and located on the same lot with a main building, the use of which is incidental to the use of the main building or to the use of the land, and which is not attached by any part of a common wall or covered walk to the main building.

**Building Line:** A line beyond which the foundation wall and/or any enclosed porch, vestibule, or other enclosed portion of a building shall not project more than one foot beyond the building, and not illuminated, that the building is being utilized in whole or in part for any purpose other than that of a dwelling; (b) in connection with a building kept not open for trade or commodity sold on the premises; (c) in connection with which no person is engaged or employed other than a member of the family or family residing on the premises; and (d) in connection with which no equipment or facilities are used other than those necessary for the household purposes. Boarding and rooming houses, tourist homes and private educational institutions shall be deemed accessory buildings.

**Hotel:** Any building containing ten or more guest rooms where, for compensation, lodging, meals, or both are provided.

**Junk Yard:** Any land or building used for the abandonment, storage, keeping, collecting, or hauling of paper scraps, scrap metal, or other refuse, or materials, or for the abandonment, demolition, dismantling, storage, or sale of motor vehicles, or machinery, or parts thereof.

**Kennel:** See "Animal Boarding Place".

**Lot:** A separate and distinct parcel of land occupied by a building and its accessory buildings or by group dwellings and their accessory buildings, together with such open spaces as are required by these regulations for a lot in the zone in which such a lot is situated. The term "record lot" means the land designated as a separate and distinct parcel of land on a legally recorded subdivision plat or in a legally recorded deed filed among the land records of Talbot County.

**Lot Area, Net:** The total horizontal area included within the rear, side and front street, or waterfront, or other street lines of the lot excluding any streets or highways, whether dedicated or not dedicated to public use, and any other areas used for parking areas and other accessory uses.

**Non-Conforming Use:** A use of a building or of land lawfully existing at the time this ordinance became effective and which does not conform with the use regulations of the zone in which it is located.

**Professional Office, Rooms and/or buildings:** need for office purposes by members of any recognized profession, including doctors, dentists, lawyers, accountants, engineers, etc.

**Shore Line:** Mean high water line.

**Sign:** Any structure, part thereof, or device attached thereto or painted or represented thereon or any material or thing, illuminated or otherwise, which displays or includes any numeral, letter, word, model, banner, emblem, insignia device, trademark, or other representation used as, or in the nature of, an announcement, advertisement, direction, or designation of any person, firm, group, organization, place, commodity, product, service, business, profession, enterprise, or industry which is located upon any building, or indoors in such a manner as to attract attention to the building.

The flag, emblem, insignia, poster, or other display of a nation, political unit, educational, charitable, religious, or similar group, campaign, drive, or event shall not be included within the meaning of this definition.

**Sign, Business:** A sign which directs attention to a business, commodity, service, or other activity.

**Sign, Directional or Information:** A sign designating the location of a community or an institution of public or quasi-public nature, the opening of an event of public interest, but not including signs pertaining to real estate.

**Sign, Incidental:** Name plates or signs designating accessory uses, such as a doctor's office, a restaurant, or similar use, or advertising exclusively the sale of farm products produced on the premises.

**Sign, Real Estate:** A sign advertising the sale, lease, rental, or development of any particular premises or directing attention to the opening and location of a new subdivision, neighborhood, or community.

**Street:** A public or dedicated way, a right-of-way, widening, or extension of an existing street or public way shown on any plan approved by the Commission.

**Street Width:** The shortest distance between street lines, measured at right angle to the street right-of-way.

**Subdivision:** The division of a tract, or portion thereof, into three or more lots or tracts for sale or building development and not for bona fide agricultural purposes.

**Tourist Cabin Camp:** Any lot, parcel, or tract of land, together with such open space as is required under the provisions of this Ordinance, upon which there are located one or more cottages or cabins used, designed, maintained, or held out for the accommodation of transient guests, whether or not a charge is made therefor.

**Tourist Home:** A dwelling in which, for compensation, lodging and meals, or lodging only are provided or offered to not more than twelve transient guests. A tourist home shall not be deemed a home occupation.

**Trailer (Including Automobile Trailer and Trailer Coach):** Any vehicle or structure mounted on wheels for use on highways and streets, propelled or drawn by its own or other motor power; and designed and constructed to pull living quarters or sleeping quarters for one or more persons or for use as a sleeping or advertising device. If the wheels of a trailer are removed, it shall be considered a building.

**Trailer Coach:** Any lot, parcel, or tract of land, together with open spaces required by these regulations, used, designed, maintained, or held out for the accommodation of transient guests, including all buildings, structures, tents, vehicles, accessories, appurtenances, or incidental equipment, upon which such trailer coach park whether or not a charge is made for use of the park and/or its facilities. A trailer coach shall not be used for the sale of a trailer or trailer sales lots, on which unoccupied trailers are parked for inspection and sale.

**Use:** The principal purpose for which a lot or the main building thereof is designed, arranged, or intended and for which it may be used, occupied, or maintained.

**Use Accessory:** A use of a building, lot, or portion thereof, which is customarily incidental and subordinate to the principal use of the main building or lot.

**Wayside Stand:** A temporary structure designed, arranged, or used for the display and sale of agricultural products grown or produced on the premises upon which such stand is located.

**Zone:** An area within which certain uses of land and buildings are permitted and certain others are prohibited. The uses and buildings are required; lot area, building height limits, and other requirements are established; all of the foregoing being identical for the zone in which they apply.

**Zoning Map:** The "Zoning Map of Talbot County," together with all amendments thereto, as recommended by the Board of Zoning Appeals.

**Filing of Applications—General**

Proposals for amendment of the zoning map or map may be made by any interested person or governmental agency by filing with the Clerk of the Board of Zoning Appeals an application in triplicate for the proposed amendment.

**Form of Applications—General**

All applications for amendment of the zoning map or map shall be subscribed by the applicant and shall state his name and address.

**Form of Applications—Text Amendments**

In case of a text amendment, the application shall set forth new text to be added and existing text to be deleted.

#### Form of Applications—Local Map Amendments

In case of a local map amendment, the application shall include a map of the land to be amended, and shall include a written statement specifying the following:

- (a) A description of the land and municipality or community in which is located the land proposed to be reclassified and the location with respect to nearby public roads in common use;
- (b) Description of land with sufficient fullness to denote particular location with clarity and accuracy; description and plot is suggested unless land is accurately marked and easily identifiable;
- (c) The present classification and the classification or two alternative classifications proposed for such land;
- (d) The name and address of the owner of the land;
- (e) The area of the land proposed to be reclassified, stated in square feet or less than one acre and in acres if one acre or more; and
- (f) The application number and date of application of and which shall be the same as the application number and date of the prior applications filed with the Board of Zoning Appeals for the reclassification of the whole or a part of the land proposed to be reclassified.

**Commission Recommendation**

Within a reasonable time and not more than thirty (30) days after the date of the application for filing of any application, the Clerk shall transmit two copies thereof to the Commission for its consideration and recommendation. The Commission shall submit a written recommendation within thirty days which shall be incorporated in the application file, and which shall be forth considered a part of the record on the application.

**Hearing Procedure**

Upon accepting any application for filing, the Clerk shall set the application for hearing at a specified date, time and place, and shall cause to be published once in at least two weekly newspapers of general circulation published in the County, a notice of the public hearing, on such application stating the application number, date, time, and place of hearing and containing all pertinent information.

1. A summary of the amendment if a text amendment; and

2. The location of the property, its area, name of owner, changes of classification or two alternative classifications applied for, and application number if a local map amendment; or

3. The designation of the area covered, if a zoning plan map amendment, and the place where copies of the map or maps may be obtained.

The Clerk shall notify the applicant and the Commission by mail of the date, time, and place of hearing. The date of hearing shall not be less than thirty (30) days following the newspaper publication of the notice. All applications filed in the custody of the Clerk shall be open to public inspection in his office and under his supervision during regular office hours.

**Action by the Board of County Commissioners**

An application for a map or text amendment shall be considered on the basis of the evidence of record.

An application for a map or text amendment shall be either approved or disapproved, or the application shall be withdrawn.

No application for a local map amendment shall be approved for a class of use or for a zone in which the application is made for two alternative classes, the application shall not be approved for a class of use or for a zone of the two applied for.

No application for a local map amendment shall be approved for a greater area than that applied for, but an application may be approved for a

smaller area than that applied for if the reclassification of such smaller area is supported by the evidence of record and if such smaller area is accurately delineated in the record.

#### Resolution, Opinion and Vote

The decision of the Board of County Commissioners approving, denying, or dismissing any application for a map or text amendment shall be rendered within sixty (60) days of the hearing (unless such time is extended by said Board), and shall be in the form of a resolution adopted by the Board of County Commissioners in open session by a majority of those voting on roll call by yeas and nays and appearing in the minutes or on the minutes and the resolution shall not be valid unless it so appears. The resolution when adopted shall be accompanied by an opinion of the Board of County Commissioners setting forth its conclusions and reasons which shall be filed in the office of the Clerk and said Board.

A copy of the resolution and opinion shall be promptly mailed by the Clerk to the applicant, the Commission, and to each person entering his appearance at the hearing as shown by the hearing transcript; and a copy shall be promptly furnished to the Clerk to the members of the Board of Zoning Appeals.

#### SECTION X—Board of Zoning Appeals: Variances and Special Exceptions

The Board of Zoning Appeals is referred to in this Ordinance as the "Board."

**Powers and Duties**

The Board is hereby empowered to hear and decide appeals from any and all persons aggrieved by any order or supplement rules or procedure not inconsistent with the provision of this ordinance.

The Board is hereby authorized to compel the attendance of witnesses at hearings or meetings, and the chairman or other members of said Board may administer oaths.

The Board shall keep minutes of its proceedings, meetings, and hearings. All actions or decisions of the Board shall be taken by resolution, in which at least two members must concur.

Each resolution shall contain a statement of the grounds and reasons for forming the basis of such action or decision, and the full text of said resolution and record of members' votes shall be incorporated in the minutes of said Board. No appeal requesting the same relief in regard to the same property shall be received or considered by the Board for more than twelve (12) months following the date of said resolution, except that this limitation shall not affect the right of the Board to grant a new hearing as provided in the Board's Rules of Procedure.

For assistance in reaching decisions, relative to variances or special exceptions, the Board may request technical service, advice, data, or factual evidence from the County Engineer.

The Board of Zoning Appeals is hereby authorized to:

Grant variances from the strict application of these regulations when by reason of exceptional narrowness, shallowness, or shape of specific parcels of property at the time of the original application of this Ordinance or amendments thereto or by reason of exceptional topographical conditions or other extraordinary situation, or conditions of specific parcels of property where the strict application of these regulations or amendments thereto would result in unusual and peculiar difficulties to, or exceptional or undue hardship upon, the owner of said property; provided that such variances can be granted without substantial impairment of the intent, purpose, and integrity of the Plan, as amended by this Ordinance. This provision shall not be construed to permit the Board, under the guise of a variance to change the use of land.

Hear and decide appeals where it is alleged by appellants that there is error in any refusal of any permit or order, requirement, decision, or determination made by the Commission.

Hear and decide petitions for Special Exceptions.

Hear and decide appeals in regard to property affected by Master Highway Plans.

**Notice of Public Hearings**

Before making its decision on any appeal, petition for grant of Special Exception, request for a variance, request for relief from provisions of a Master Highway Plan or any other matter within the Board's jurisdiction, the Board shall hold a public hearing thereon. At least ten (10) days' notice of the time and place of such hearing shall be sent to the applicant or petitioner, to the Commission, and to owners or tenants of property located within 500 feet of the property affected. The Board may, in its discretion, send notice of hearings to other interested parties, organizations, or agencies. Such notices shall contain the name of the appellant or petitioner, the date, time, and place fixed for the hearing, and a brief statement of the grounds of appeal, or of the variance, special exception or other relief requested.

**Additional Notice of Public Hearing**

In case of a petition for special exception, the Board may require additional notice of hearing by one (1) advertisement in two (2) newspapers of general circulation published in the County, and by public notice in the community affected by such petition. Such advertisement shall appear not less than ten (10) days prior to the day of public hearing and shall contain the same information as is required in the notice sent by mail. The cost of such advertisement shall be borne by the applicant.

**Continuation of Adjourned Hearings**

Hearings may be adjourned from time to time, and if the time and place of the hearing cannot be ascertained, the Board may, in its discretion, continue the hearing at the time of the adjournment, no further notice of such continued hearing shall be given, or notice thereof shall be given as in the case of the original hearing.

**Limitation of Authority**

Nothing contained in these regulations shall be deemed to authorize the Board to reverse or modify any refusal of a permit or order, requirement, decision, or determination which conforms to the provisions of this Ordinance and which, therefore, is not reversible.

The Board shall not amend any of these regulations of the Zoning Map; nor shall such power or authority be vested in the Board.

**When May File an Appeal**

Appeals to the Board of Zoning Appeals may be made by any person, board, association, corporation, or official, aggrieved by the grant of or refusal of a building use or occupancy permit or by any other administrative decision made by the Board of Zoning Appeals, or in part upon any of these regulations of the Zoning Map.

Appeals shall be made on forms provided therefor, and all information required on such forms shall be furnished by the appellant. Forms shall be filed with the Secretary of the Board, and the appellant shall pay the Secretary for expenses incidental to the appeal. No form shall be accepted by the Secretary unless it contains all pertinent information and is accompanied by the required fee to defray expenses.

Appeals and applications filed in proper form shall be numbered serially, docketed and placed upon the calendar of the Board. The calendar of appeals shall be maintained and posted conspicuously in the office of the Board of Zoning Appeals during the period before such hearing date.

**Request for Special Exceptions**

Petitions for the grant of Special Exceptions shall be filed with the Board of Zoning Appeals on forms provided therefor. The petitioner shall submit two (2) copies of plans and/or specifications or other data or explanatory material, stating the methods by which he will comply with the minimum requirements of this schedule for off-street parking space.

One (1) copy of such plans, specifications, and explanatory material shall be forwarded to the Commission at the time of filing his request for a grant of special exception the petitioner shall pay to the Board of Zoning Appeals the fee required to cover the cost of advertising, and of the sending of notices and other miscellaneous expenses in connection with this petition.

**Notice of Action**

Notice of action taken by the Board of Zoning Appeals on each petition for special exception shall be transmitted to the petitioner, to the Commission, and to the Clerk of the County Commission. In case where special exceptions have been granted, the said notice shall set forth the conditions, standards, and/or safeguards or rules to which the special exception is subject.

**General Provisions**

Special Exceptions may be granted adversely to the health and safety of residents or workers in the area and will not be detrimental to the use or development of adjacent properties or the general neighborhood.

(a) The proposed use does not affect adversely the health and safety of residents or workers in the area and will not be detrimental to the use or development of adjacent properties or the general neighborhood.

(b) The proposed use will not affect adversely the health and safety of residents or workers in the area and will not be detrimental to the use or development of adjacent properties or the general neighborhood.

(c) The standards set forth in each particular use for which a special exception may be granted have been met.

# Zoning Ordinance

ORDINANCE NO. 88

AN ORDINANCE TO ADD A NEW SECTION VIA TO ST. MICHAELS TOWN ORDINANCE NO. 82, TITLED "ZONING ORDINANCE, ST. MICHAELS, MARYLAND", SAID NEW SECTION TO FOLLOW IMMEDIATELY AFTER SECTION VI OF SAID ORDINANCE AND TO BE KNOWN AS "SECTION VIA-TRAILERS".

SECTION I:

BE IT ENACTED AND ORDAINED BY THE COMMISSIONERS OF THE TOWN OF ST. MICHAELS, a municipal corporation, that a new Section VIA be and it is hereby added to Ordinance No. 82, titled "Zoning Ordinance, St. Michaels, Maryland", said new Section to be entitled "Trailers" and to read as follows:

SECTION VIA-TRAILERS

a. On or after the 15<sup>th</sup> day of July, 1962, no trailer or other portable or moveable home, house or dwelling place as the same shall be hereinafter defined shall be put, placed, left, parked, erected or maintained within the territorial planning and zoning jurisdiction of the Commissioners of the Town of St. Michaels as a permanent structure; nor shall the same be temporarily parked or maintained within the aforesaid limits except in an emergency and subject to any further prohibitions, regulations and limitations imposed by the traffic and parking regulations and ordinances for any town street, road, highway or other public right-of-way; except, that the Commissioners may by ordinance set aside and permit an area by metes and bounds for the permanent erection or temporary placement of such trailers as aforesaid upon recommendations by the Zoning Board which shall be subject to a ~~subsequent~~ hearing by both the Zoning Board and the Commissioners separately or simultaneously; in each instance the Zoning Board and the Commissioners must find by such hearing that the use will not constitute a nuisance because of noise, sanitary conditions or traffic and will not affect adversely the present character or future development of the surrounding community and may subject the Petitioner or Petitioners to any specific provisions or conditions set forth by said Commissioners for the purposes of this Section.

b. Definition.

The term, trailer or other portable or moveable home, house or

dwelling; mobile home, automobile trailer or trailer coaches shall mean any vehicle or structure mounted or designed for mounting on wheels, for use on highways and streets, propelled or drawn by its own power or other motor power; and designed and constructed to provide living and/or sleeping quarters for one or more persons or for use as a selling or advertising device. The removal of its wheels and/or mounting of the body of the structure on cement blocks or other supports or foundation does not, so far as this ordinance is concerned, change the status to that of a family dwelling.

SECTION II:

Nothing herein shall be construed to apply to any trailer or other similar dwelling established and inhabited prior to the enactment date stated herein.

#### Section VI - General Regulations and Exceptions

Height and area requirements shall be subject to the following regulations and exceptions:

1. In any zone public and semi-public buildings may be erected to a height not exceeding seventy-two (72) feet, when set back from all lot lines not less than one (1) foot for each foot such building exceeds a height of forty (40) feet, this increased set back to be in addition to the required yard dimensions for such zone.

2. Chimneys, towers, tanks, penthouses or necessary mechanical appurtenances may be erected to their required height. An accessory building may be built to a height of two (2) stories to provide quarters for servants employed on the premises.

3. In the case of a lot or parcel of land having a width of at least forty (40) feet but less than fifty (50) feet, and which is included in a plat or deed or record at the time of adoption of this ordinance, there shall be a side yard on each side of a dwelling of not less than five (5) feet in width and the provisions of Section III, C, 1, shall not apply to such lot or parcel.

4. Every part of a required yard shall be open and unobstructed from its lowest point to the sky, except that open porches, fire escapes, open stairways and chimneys may be permitted by the Building Inspector where same are so placed as not to obstruct light and ventilation.

5. Steps and unenclosed porches may encroach on the front building line not to exceed nine (9) feet and shall not exceed one story in height.

6. Nothing contained in this ordinance shall prevent in any zone, the erection and use of a structure or premises for public or public utility purposes when deemed necessary by the Town Council for the public convenience and welfare.

7. In the case of corner lots having a side yard along a street upon which no lots front directly, between the two adjacent cross streets, such side yard may be reduced to a minimum width of fifteen (15) feet.

8. No yard, court or other open space provided about any building for the purpose of complying with the provisions of these regulations shall be considered as a yard, court or other open space for another building, nor shall the size of any yard, court or open space be reduced to less than the area requirements of this ordinance.

#### Non-Conforming Uses

In case of a non-conforming structure or premises shall remain vacant for a period of one year, or a non-conforming structure shall be damaged to the extent of fifty (50) per cent of its value; then such non-conforming use shall terminate and revert to the conforming use of the zone in which it is located.

#### Section VII - Building Permits

All applications for building permits shall be accompanied by a plat drawn to scale showing the actual dimensions of the lot to be built upon, the size of the building to be erected, and such other information as may be necessary to provide for the enforcement of these regulations. An accurate and complete record of such applications and plats shall be kept in the office of the Building Inspector,

or other public officer designated to act as such. No construction exceeding two hundred (200) dollars in value may be started without a building permit for same having been issued.

#### Section VIII - Interpretation, Purpose and Conflict

In interpreting and applying this ordinance the requirements contained herein are declared to be the minimum requirements for the protection of the health, safety or welfare. This ordinance shall not be deemed to interfere with or abrogate or annul or otherwise affect in any manner whatsoever any easements, covenants, or other agreements between parties, provided however, that where this ordinance imposes a greater restriction upon the use of buildings or premises or upon the height of buildings or requires larger open spaces than are imposed or required by other ordinances, rules, regulations or permits, or by easements, covenants or agreements, the provisions of this ordinance shall control.

#### Section IX - Boundaries of Zones

Where uncertainty exists with respect to the boundaries of the various zones shown on the maps accompanying and made a part of this ordinance, the following rules shall apply.

1. The zone boundaries are either streets or alleys, unless otherwise shown, and where the designation on the maps accompanying and made a part of this ordinance indicating the various zones are approximately bounded by street or alley lines, said street or alley shall be construed to be the boundary of such zones.

2. Where the zone boundaries are not otherwise indicated and where the property has been or may hereafter be divided into blocks and lots, the zone boundaries shall be construed to be lot lines, and where the designations on the maps accompanying and made a part of this ordinance indicating the various zones are approximately bounded by lot lines, said lot lines shall be construed to be the boundary of such zones unless said boundaries are otherwise indicated on the maps.

3. Whenever a portion of any zone is indicated upon the zoning map as a strip paralleling an open or unopened street, the width of this strip, unless delimited on said map by lot lines or otherwise, shall be assumed to be 120 feet measured at right angles from the lines of the street to which it is parallel and adjacent.

#### Section X - Administration

A Town Planning Commission and a Zoning Board of Adjustment, each with five (5) members, shall administer the zoning ordinance with powers and duties as provided in the Annotated Code of Maryland, Article 66B, 1939.

#### Section XI- Violations, Remedies

Enforcement of the zoning ordinance will be as provided in the Annotated Code of Maryland, Article 66 B, 1939.

Section XII - Saving Clause

Should any section clause, or provision of this ordinance be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof other than the part so declared to be invalid.

August 22, 1955

Mr. Melvin Lebowitz, Pres.  
Commissioners of St. Michaels  
St. Michaels, Maryland

Dear Mr. Lebowitz:

I wish to inform you of the action taken by the Board of Education with reference to construction of a curb and gutter along the ease side of Seymour Avenue, St. Michaels, Maryland, in accordance with plans and specifications prepared by Mr. E. G. Kastenhuber, Engineer. A copy of the plans was left with you or at the town office. Bids on this work were requested in an advertisement in a local newspaper.

The bids were as follows:

Okie H. Powell -----	\$ 2,032.50
Barr Const. Co., Inc. -	1,919.45

The contract was awarded to Barr Construction Co., Inc., the low bidder, by unanimous vote of the Board of Education. It was decided to reduce the scope of the work by eliminating the curb and gutter shown on the plans as extending from the curb on Seymour Avenue to the S. W. Corner of the shop building, which based on the unit cost submitted by Barr Construction Co., Inc., resulted in a contract price of \$ 1,506.56

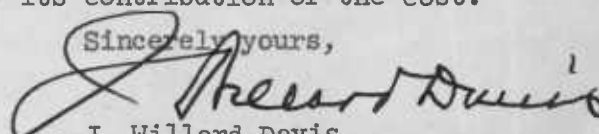

Engineers Commission @10%	150.66
	<hr/> 1,657.22

Cost to Town of St. Michaels for work on Street -----	824.70
	<hr/> 2,481.92

One-half of total cost	1,240.96
Credit-amount paid by Town of St. Michaels	824.70
Due on curb and gutter from Town of St. Michaels	<hr/> 416.26
Due on curb and gutter from Board of Education	1,240.96

The calculations shown above are, I believe, in accordance with the agreement set forth in your letter that the Town of St. Michaels and the Board of Education would each pay one-half of the cost of the improvement with the amount already spent by the former to count as a part of its contribution of the cost.

Sincerely yours,

J. Willard Davis  
Co. Supt. of Schools

ORDINANCE NO. 84

AN ORDINANCE BY THE COMMISSIONERS OF ST. MICHAELS TO PERMIT OWNERS OF PROPERTIES OUTSIDE THE CORPORATE LIMITS OF THE TOWN OF ST. MICHAELS, MARYLAND, TO CONNECT TO THE MUNICIPAL SEWERAGE SYSTEM UNDER CERTAIN CONDITIONS AND SUBJECT TO CERTAIN REGULATIONS.

BE IT ENACTED AND ORDAINED, That properties located outside the corporate limits of the town of St. Michaels may be connected to the municipal sewerage system, under the following terms and conditions:

1. Application shall be made by the owner desiring to connect his property to the sewerage system, or by his agent, by letter addressed to the Commissioners of St. Michaels, and if upon investigation, it is found that a sanitary sewer, at proper grade and of proper size, is available, the owner, or his agent, shall then make application to the Town Clerk for a permit to connect said property, in the same manner as an application is made by an owner of property within the corporate limits of St. Michaels.

2. The connection to the sewerage system shall be made in accordance with all town, county and state ordinances, laws and regulations, and at the entire expense of the owner, including the cost of surveys, plans, etc., required by the Commissioners of St. Michaels or the State of Maryland. All such plans shall be approved by the Commissioners of St. Michaels.

3. The charge for a permit to connect to said sewerage system by the owner of property outside the corporate limits of St. Michaels, and the annual rental for the use of said sewerage system, shall be entirely within the discretion of the Commissioners of St. Michaels as they shall from time to time determine.

AND BE IT FURTHER ENACTED AND ORDAINED, That this Ordinance shall take effect from the date of its passage.

Gentlemen:

We submit the following price for the proposed sewer extension on Grace Street; this extension to be approximately 275 ft. in length.

Included in this price is 100 ft. 8 in. mechanical joint cast iron pipe, to be placed from proposed manhole under stream bed near east side of bridge. 175 ft. 8 in. slip seal clay pipe together with 3- 8" x 5" Y's and 2- 5" x 20 ft. laterals. The construction of one brick manhole with water tight cover to be located approximately 50ft. from existing manhole.

We are to furnish all necessary labor, equipment and materials for the excavating, laying and backfilling of trench.

For the total price of \$ 1,177.28 ( One thousand one hundred seventy-seven dollars and twenty eight cents )

The town of St. Michaels agrees to take care of the necessary repair of black top street wherever trench or laterals are placed. Placing of an additional manhole at end of pipe line near electric plant would be optional. The cost of same would be \$ 225.00, this manhole to have a standard cast iron ring and cover.

The suppliers of the above materials give a delivery date of two to three weeks on placing of order.

The Town Commissioners  
St. Michaels, Maryland

Gentlemen:

Your experience with sewer connections is very much like that of many other towns: Most of the residents of the town connect to the sewer before the deadline has passed but there are always 10% of the property owners who fail to do so.

We realize that you wish to have every property in the town connected as soon as possible; doing so will mean that you have kept your agreement with your bond-holders as well as with those who have already made their connections. The improvement in sanitary conditions, too, is a great step forward.

We have discussed the possibility of the County Health Department forcing the reluctant 10% to make their connections. This letter is to advise you, formally, that the legal machinery available to the Health Department is entirely too cumbersome and time-consuming to even be considered in view of the authority that you as Town Commissioners now have on your books.

Therefore, I recommend that, in accordance with the Ordinance which you have had on your books since July 1953, you immediately take steps to notify those who have failed to make sewer connections that, unless they do so within a specified time, you will advertise the installation for bids and have the connection made at their expense. This cost, of course, would constitute a lien against their property similar to taxes.

Prompt action in this matter should enable you to have the town a more pleasant place to live in this summer.

Very truly yours,

*Louis S. Welty*  
Louis S. Welty, M.D.  
County Health Officer

Town Commissioners  
St. Michaels, Maryland

Gentlemen:

The Zoning Board met at the Town Office September 9, 1957. The following members present, Ralph Hunt, Elwood Harrison, Charles Brewster, Alfred Chester, Alex Spencer.

We discussed application made by Edward LeRoy Freeburger and wife to re-zone small plot of land at the end of Chew Avenue on Back Creek to industrial. The Board unanimously decided to re-zone as requested - industrial.

Yours very truly,

  
ALEX J. SPENCER  
ACTING SECRETARY

AJS:w

PETITION TO REZONE

TO: THE COMMISSIONERS OF ST. MICHAELS:

Edward LeRoy Freburger and Wilhemina C. Freburger, his wife, legal owners under Deed recorded in the Land Records of Talbot County, Liber JTB 292, folio 244 and Raymond A. Milligan and Margaret E. Milligan, his wife, equitable owners under Agreement of Sale dated August 29, 1957 and attached hereto, do apply to the Commissioners for the rezoning of the following described property from Residential to Industrial:

ALL THAT LOT of ground situate, lying and being in St. Michaels, Talbot County, Maryland, and described as follows, that is to say: - Beginning for the same at the foot of Chestnut Street on the South side thereof and running with said Street Easterly fifty-six feet (56') to Linden Street; thence with said Street Southerly two hundred seventy-two feet (272') to Chew Avenue; thence Westerly with said Avenue two hundred fifty-eight feet (258') to the waters of Back or San Domingo Creek; thence following the shore line of said Creek to the place of beginning, containing the quantity of one and one-half acres ( $1\frac{1}{2}$  a.) of land, more or less,

The purchasers of this property plan to build a one story service and repair unit for motor boats. This area is thickly populated with small craft at present, and a public landing adjoins the subject tract. No facilities have been provided to care for boats in this anchorage.

The property, as improved, will be an asset to the community, and will conform to an already existing basin. The petitioners contend that the original zoning was a mistake in view of the boating use which had always been in existence, and which operated in the same manner as if a small boat yard already existed. A large number of boats are launched and hauled at this site, and it has always been a small boat center. It is a natural harbor, readily accessible to broad water.

The petitioners respectfully request the Commissioners to rezone the tract to Industrial use.

Town Clerk

RESOLUTION OF COMMISSIONERS OF ST. MICHAELS

WHEREAS, Heretofore Raymond A. Milligan and others did make application to Commissioners of St. Michaels to re-classify certain property owned by Edward LeRoy Freburger and wife, and purchased under contract of sale by the said Raymond A. Milligan and wife, being approximately  $1\frac{1}{2}$  acres situate in said town, said property being bounded by Chew Avenue, Chestnut Street, Linden Avenue and the waters of San Domingo Creek, from its then classification of "Residential" to "Industrial"; and

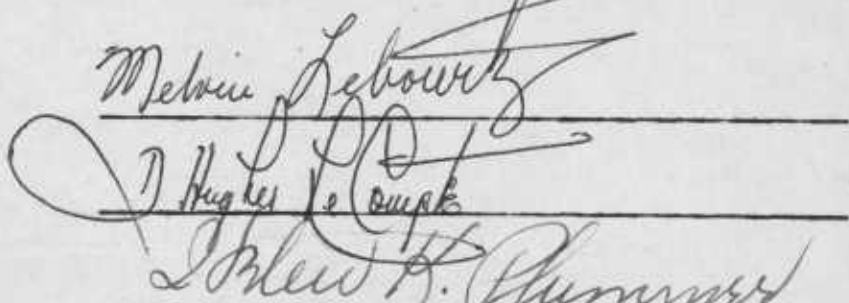

WHEREAS, Said application having been in proper form and accompanied by the sum of \$ 50.00 as required, the said Commissioners did cause a notice of public hearing to be published as required by law, in the Easton Star Democrat, a newspaper printed and published in Talbot County, giving notice of a public hearing to be held at the town office, in said town, on September 30th, 1957, a copy of said notice being attached hereto, which said notice was published in said paper in its issues of September 13th, 20th and 27th; and

WHEREAS, Said public hearing was held on the aforesaid date, in the place and at the time advertised, and a full and complete discussion was had, giving everyone present an opportunity to present facts and arguments either for or against said application; and

WHEREAS, Taking into consideration the facts as presented at said hearing, and the recommendation of the St. Michaels Planning and Zoning Board that said property should be re-classified, the members of this Board are of the unanimous opinion that the original zoning of said property as "Residential" was in error.

NOW, THEREFORE, BE IT RESOLVED, By the Commissioners of St. Michaels that the classification of the aforesaid property be and the same is hereby changed from its original classification of "Residential" to a classification of "Industrial" and that the Town Clerk is hereby authorized and directed to change the zoning map of this town in accordance with this Resolution.

Dear Sir:

We are hereby making application for the rezoning from residential to commercial of our lots No. 56, 57, 58, 59 and 60 which front on New Lane for 120 Ft. and Marengo Street for 300 Ft. We have had a warehouse and a garage on this property for over eight years.

We are enclosing a plat which shows the proposed building that will house a modern chick hatchery. This sketch is the approximate location, and size of building as far as we can estimate at this time.

We assure you that this property will always be kept in a sanitary condition, and we cannot see that it can be objectionable to anyone.

We would appreciate your board's early action on this application.

Enclosed is our check for \$50.00.

Very truly yours,

RESOLUTION OF COMMISSIONERS OF ST. MICHAELS

WHEREAS, Heretofore St. Michaels Milling Company, Inc., did make application to Commissioners of St. Michaels, through St. Michaels Planning and Zoning Board, to re-classify certain property owned by it, being Lots Nos. 56, 57, 58, 59 and 60 in Miller's Addition, said lots fronting 120 feet on New Lane and 300 feet on Marengo Street, in the Town of St. Michaels, Maryland, from its present classification of "Residential" to "Commercial"; and

WHEREAS, Said application having been in proper form and accompanied by the sum of \$ 50.00 as required, the said Commissioners of St. Michaels did cause a notice of public hearing to be published as required by law, in the Easton Star Democrat, a newspaper printed and published in Talbot County, giving notice of a public hearing to be held at the town office in said town, on February 24th, 1958, a copy of said notice being attached hereto, which said notice was published in its issues of February 7th, 14th and 21st; and

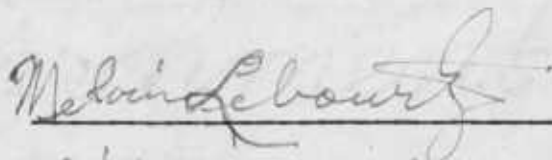

WHEREAS, Said public hearing was held on the aforesaid date, in the place and at the time advertised, and a full and complete discussion was had, giving everyone present an opportunity to present facts and arguments either for or against said application; and

WHEREAS, Subsequent to said public meeting, to-wit: on February 27, 1958, a special meeting was held whereat the members of the Board of Commissioners of St. Michaels, as well as the Chairman and members of the St. Michaels Planning and Zoning Board, being Ralph S. Hunt (Chairman), Alex J. Spencer, M. Elwood Harrison, Charles M. Brewster and Alfred H. Chester, were present, at which time further discussion of the application was had, and said members of said Planning and Zoning Board unanimously re-affirmed their prior recommendation that said property be re-classified; and

WHEREAS, Taking into consideration the facts presented at said public hearing, and the recommendation of the St. Michaels Planning and Zoning Board, the members of this Board are of the unanimous opinion that the original zoning of said property as "Residential" was in error.

NOW, THEREFORE, BE IT RESOLVED, By the Commissioners of St. Michaels, that the classification of the aforesaid property be and the same is hereby changed from its original classification of "Residential" to a classification of "Commercial", and that the Town Clerk is hereby authorized and directed to change the zoning map of this Town in accordance with this Resolution.

WHEREAS, Heretofore St. Michaels Milling Company, Inc., did make application to Commissioners of St. Michaels, through St. Michaels Planning and Zoning Board, to re-classify certain property owned by it, being Lots Nos. 56, 57, 58, 59 and 60 in Miller's Addition, said lots fronting 120 feet on New Lane and 300 feet on Marengo Street, in the Town of St. Michaels, Maryland, from its present classification of "Residential" to "Commercial"; and

WHEREAS, Said application having been in proper form and accompanied by the sum of \$ 50.00 as required, the said Commissioners of St. Michaels did cause a notice of public hearing to be published as required by law, in the Easton Star Democrat, a newspaper printed and published in Talbot County, giving notice of a public hearing to be held at the town office in said town, on February 24th, 1958, a copy of said notice being attached hereto, which said notice was published in its issues of February 7th, 14th and 21st; and

WHEREAS, Said public hearing was held on the aforesaid date, in the place and at the time advertised, and a full and complete discussion was had, giving everyone present an opportunity to present facts and arguments either for or against said application; and

WHEREAS, Subsequent to said public meeting, to-wit: on February 27, 1958, a special meeting was held whereat the members of the Board of Commissioners of St. Michaels, as well as the Chairman and members of the St. Michaels Planning and Zoning Board, being Ralph S. Hunt (Chairman), Alex J. Spencer, M. Elwood Harrison, Charles M. Brewster and Alfred H. Chester, were present, at which time further discussion of the application was had, and said members of said Planning and Zoning Board unanimously re-affirmed their prior recommendation that said property be re-classified; and

WHEREAS, Taking into consideration the facts presented at said public hearing, and the recommendation of the St. Michaels Planning and Zoning Board, the members of this Board are of the unanimous opinion that the original zoning of said property as "Residential" was in error.

NOW, THEREFORE, BE IT RESOLVED, By the Commissioners of St. Michaels, that the classification of the aforesaid property be and the same is hereby changed from its original classification of "Residential" to a classification of "Commercial", and that the Town Clerk is hereby authorized and directed to change the zoning map of this Town in accordance with this Resolution.

PASSED: February 27, 1958

Constituting the Board of  
Commissioners of St. Michaels

February 27, 1958

At a special meeting of Town Commissioners held on February 27<sup>th</sup> at 8 o'clock at the Town Office, the rezoning application of St. Michael's Milling Company requesting their property on the corner of New Lane and Marengo Street be changed from the residential classification to commercial classification was discussed.

A motion was made by Helen K. Plummer to change the classification as requested with the stipulation the building be set back twenty-five (25) feet from the front lot line to conform with the existing building code motion seconded by Melvin Lebowitz. It was unanimously approved, Helen K. Plummer voted yes and Melvin Lebowitz yea and the Resolution on the opposite page was adopted.

The members of the Zoning Board attended this meeting at the request of the Town Commissioners. Those present were Ralph Hunt, Jr., Alex J. Spencer, Edward Harrison, Charles M. Brunster and Alfred Hunter who stated individually and as a Board, they were in favor of the reclassification from residential to commercial.

Helen K. Plummer, acting Sec. per H.K.

March 14, 1958

The regular monthly meeting of the Commissioners of St. Michaels was held in the town office at 7:30 P. M. Those present were Melvin Libonty & Helen K. Plummer.

The minutes of the regular meeting and the two special meetings were read and approved.

A motion was made by Mrs. Plummer that the zoning Board issue permits for the mile area in accordance with the State Health Department regulations, seconded by Mr. Libonty and passed.

A motion was made by Mrs. Plummer and seconded by Mr. Libonty to pay the following bills:

The St. Michaels Company	1.25	St. Michaels since March	95.84
Birds Flying Service	68.41	Leifton Hope & Son	28.95
Radios since station	31.25	Roe's Plumb	12.24
The Eastern Star - Democrat	19.25	Better Roads Corporation	226.93
Lucas Brothers Inc.	7.79	Wachter, Hoskins & Russell, Inc.	24.24
Hersey Manufacturing Co.	17.73	Lee S. Yells	35.00
Taylor's Trucking Center	390.83	Chesapeake & Potomac Telephone Co.	33.48

Motion passed.

A letter from Mrs. J. Harrison Kemp requesting for credit for one apartment which had been vacant for some time. on her next sewer bill, The clerk to give her credit for one quarter and not charge her for the apartment until it is occupied again.

A letter from the St. Michaels Utilities Commission in regards to the Employees' Retirement System. The clerk to tell them to find out who can go and when they want to go. Mrs. Plummer will try to go with them.

Application for building permits from Saultsburg Service Stations Inc. has been received.

The clerk to write to State Roads Commission asking if it would be possible to get a permit to take the sewer line across the highway and if so what would be involved.

The clerk to write to Saultsburg Service Stations Inc., enclose a copy of the letter, to the State Roads Commission also tell them it will involve considerable cost to carry the sewer line across the highway and tell them we would like to know if they would be willing to bear all or any part of the expense.

A letter from Congressman Miller in regards to

the St Michaels Harbor project was read.

The clerk to write to Congressman Miller that the commissioners feel they are representing the people of St. Michaels when they request dredging the inner harbor.

It was our understanding that the needs were understood by the Engineers and the work had been decided on and it was only due to lack of funds that the work had not been begun.

The clerk to Gravelly people and ask them how much the needed equipment would cost delivered to St. Michaels.

A motion was made and carried to hire two extra people for election. The clerk to contact Mrs. Fleming & Mrs. Edward Morris.

A motion was made by Mr. Lebowitz to buy personal & liability ins on Wm. Lebowitz's truck he uses for the town. Recorded by Mrs. Plummer & Passed.

"Resolution of The Commissioners of The Town of St. Michaels Gallop County, Maryland"

Resolution of the commissioners of the Town of St. Michaels to amend their Charter by repealing and re-enacting Section 446 of Article 21 of the Code of Public Local Laws of Maryland, 1930, title "Gallop County", sub-title "St. Michaels, providing that the Town clerk shall be the Supervisor of Elections and prescribing the duties therefor; setting the time of registration of the voters of the Town of St. Michaels, and the means of said registration and generally providing for rules and regulations pertaining to the registration, registration books, procedure time and place of registration, duties of the Town clerk as Supervisor of Elections and revision of registry books, as well as those who will be allowed to register.

Whereas, the Commissioners of the Town of St. Michaels feel that it would be more convenient for the citizens of the Town

to register to vote should the hours thereof be extended; and  
 Whereas, it is felt that these hours should be nearer to the  
 hour of lunch and past the hour of the normal working day; now,  
 therefore, be it

Resolved,

By the Commissioners of the Town of St. Michaels, Talbot County, Maryland, that Section 446 of Article 21 of the Code of Public Local Laws of Maryland, 1930, title "Talbot County", sub-title "St. Michaels", be amended to provide a more convenient time for the registration of the citizens of St. Michaels in order that they may vote and that said time be specified as between the hours of one and six P.M., on the second and third Wednesdays and Thursdays of March preceding any election.

Section 1. Be it enacted by the Commissioners of St. Michaels, Talbot County, Maryland, that Section 446 of Article 21 of the Code of Public Local Laws of Maryland, 1930, title "Talbot County", sub-title "St. Michaels", be, and it is hereby repealed and re-enacted to read as follows:

446 The town clerk shall be the supervisor of elections, and have such powers and perform such duties as herein prescribed. There shall be a new registration of voters of the Town of St. Michaels before the election to be held in April, 1928, and in every tenth year, thereafter, at which registration the town clerk, acting as supervisor of elections, shall sit in the office of the Commissioners, or such other convenient place as said Commissioners may designate, during the hours from ~~(two)~~ one to ~~(five)~~ six o'clock, P. M., on the second and third Wednesdays and Thursdays of March preceding said election. In those years in which there is to be no new registration the said town clerk shall sit at the place designated on the same day and hours for the purpose of registering voters and renewing the registration books. Should a special election at any time be held the Commissioners of St. Michaels shall designate at least one day, not more than thirty days before said election, on which the town clerk, sitting as a register of voters, shall sit for the purpose of registering voters and renewing the registration list. Any person who feels aggrieved by the action of the town clerk in refusing to register him as a qualified voter, or in erasing or misspelling his name, or that of any other person on the registry or in registering or failing to erase the name of any fictitious, deceased or disqualified person, may at any time, either before or after the last sitting of the town clerk, file an appeal in the Circuit Court for Talbot County, in the same manner as is provided

in the case of appeals from the board of registry in the election law of the State of Maryland. The town clerk shall register the names of such voters in a book provided therefor, providing space for the entering of the names, age, nativity, color, term of residence in town and state, street residence, date of application, qualified voter or not, space to show why disqualified and space to check when voted.

Section 2. And be it further enacted that the effective date of this Act shall be the fiftieth day following the approval of the foregoing Resolution by the Commissioners of the Town of St. Michaels as hereinafter set forth

Approved January 10, 1959

There being no further business the meeting adjourned,

Harry H. Swell, Clerk

**Notice of Resolution by the Commissioners of the town of St. Michaels, Maryland, to Amend The Charter thereof, Extending the Hours of Registration of Voters in Said Town.**

The Commissioners of the town of St. Michaels resolved on the Tenth day of January, 1959 to amend Section 446 of Article 21 of the Code of Public Local Laws of Maryland, 1930, title "Talbot County," subtitle "St. Michaels," which said amendment extends the hours for the Registration of Voters in the town of St. Michaels from ((two to five)) o'clock P. The Commissioners of St. Michaels met with the St. Michaels Utilities Commission and Milton H. Gaubank, General Manager at a special joint meeting held on Monday November 6, 1961 at the office of Dr. Guy M. Reese, Jr.

A report by the Utilities Commission of a meeting held that morning at the Public Service Commission's office with engineers and officers of the Public Service Commission, The Eastern Shore Public Service Company of Maryland and the Choptank Electric Cooperative of the Rural Electrification Administration, was made.

The meeting which had been requested by the Choptank Electric Cooperative was a consultation with engineers and officers of the Public Service Commission including Mr. Dean, Executive Secretary, Mr. Hugh Hunter, Chief Engineer and their Rate Engineer, Mr. Jennings B. Dillion, Mr. Alex J. Spencer, & Mr. Milton H. Gaubank of St. Michaels Utilities Commission and William B. Rafferty, Engineer of Miles and Stockbridge, Attorney for St. Michaels Utilities Commission, Mr. Douglas Appleby, Public Relations and Mr. Welt, Attorney for the Eastern Shore Public Service Company of Maryland; Mr. Frances Egan, Manager & Wilbur Weisberg, Esq., Attorney for the Choptank Electric Cooperative and their engineers.

Choptank Electric Cooperative requested that they be allowed to purchase current direct from the Eastern Shore Public Service Company of Maryland for the Royal Oak - Bellevue area which they supplied and serviced, and not through the St. Michaels Utilities Commission as their present contract with St. Michaels called for and which St. Michaels now controlled because of its contract with Eastern Shore Public Service Company of Maryland.

St. Michaels Utilities Commission was ably represented at this consultation and had facts and figures to prove that the customers of the area in question were being served now at a lower rate than would probably be allowed if they were sold thru the requested channel and that St. Michaels customers would benefit more by our supplying this source because of our greater purchasing power which would be lessened if this outlet was released from us.

Mr. Rafferty proposed that the Choptank Electric

cooperative sell its poles, lines, facilities, etc in the Royal Oak-Bellvue area at a price arrived at by the appraiser from the Public Service Commission, the price to be agreeable and satisfactory to St. Michaels Utilities Commission and the Commissioners of St. Michaels.

The Commissioners of St. Michaels, namely, Helen K. Plummer, President, Emerson E. Langrell & Dr. Guy M. Reser Jr. unanimously authorized the St. Michaels Utilities Commission to negotiate for the purchase of the lines, poles, facilities, etc from Choptank Electric Cooperative as above set forth.

A special meeting of the Commissioners of St. Michaels was held on Tuesday, November 7, 1961, at the Town Office Building with Helen K. Plummer, president, Emerson E. Langrell, Dr. Guy M. Reser, Jr. and Charles Lubbecke the Town Engineer, present.

A motion was made by Emerson E. Langrell, seconded by Dr. Reser and carried to reaffirm our authorization to the St. Michaels Utilities Commission to negotiate with the Choptank Electric Cooperative for the purchase of their lines, poles, facilities, etc in the Royal Oak-Bellvue area, as discussed and authorized in the meeting held jointly with the St. Michaels Utilities Commission on Monday, November 6, 1961

Choptank Electric Cooperative, Inc.  
Denton,  
Maryland

Attention: W. L. Merriken, Esq., Attorney

Re: Royal Oak Area

Gentlemen:

A conference was held last Monday with staff members of the Public Service Commission of Maryland at which were present representatives of Choptank Electric Cooperative, Inc., Eastern Shore Public Service Commission and St. Michael's Utilities Commission. The questions discussed involved the rates in the Royal Oak area served by you which has at present 178 consumers, with possibly additional consumers in the summer season.

Choptank purchases its energy requirements for Royal Oak from St. Michael's under wholesale rates which are higher than those paid by you for power from Eastern Shore Public Service for the rest of your system. You requested the Public Service Commission staff to give favorable consideration to your construction of a transmission line which would enable you to purchase power for Royal Oak directly from Eastern Shore Public Service at the lower rates. We understood you to say that the savings thus realized would enable you to bring the rates in the Royal Oak area more nearly in line with the rates in the rest of your system.

Such a move, if sanctioned by the Public Service Commission, would cause a hardship on the 1,800 consumers of St. Michael's since the loss of Choptank as a consumer would result in a higher average cost of power to St. Michael's. Nor would such a move benefit the consumers in the Royal Oak area. As a matter of fact, your representative stated at the conference that 101 of the present 178 consumers would pay higher rates.

We believe that no change in the Royal Oak area should be sanctioned that would adversely affect the consumers

in that area. Conversely, a change that would benefit the consumers in that area should be given favorable consideration. The established rates of St. Michael's are lower in every KWH block than those currently charged by Choptank in the Royal Oak area. We believe that acquisition of your distribution system in Royal Oak by St. Michael's would enable us to serve the consumers in that area at the same low rates as the rest of our system. Such a move would materially benefit the consumers in that area and would avoid any injury to the present 1,500 consumers of St. Michael's. This would also permit faster service to the Royal Oak consumers as they would be serviced from nearby St. Michael's instead of the greater distance from Denton.

In the earnest belief that such acquisition would be in the best interest of the public served in the Royal Oak area, the St. Michael's Utilities Commission formally offers to purchase the distribution system and facilities of Choptank Electric Cooperative, Inc. in the Royal Oak area. We suggest that the purchase price should be based on a valuation to be made by the staff of the Public Service Commission. We understand that the Commission if requested to do so will direct its staff to prepare such a valuation.

We respectfully request you to submit our proposal to your governing body and the membership of the Cooperative. We stand ready to cooperate with you in any way possible.

Since Choptank and St. Michael's are each non-profit organizations, both should be governed by what is best in the interest of the consumers in the Royal Oak area. We believe that our proposal would be an equitable solution of your problems and would materially benefit the consumers of that area. We hope that it will receive your favorable consideration.

Very sincerely yours,

William B. Rafferty  
Attorney

PUBLIC NOTICE OF REPORT ON ST. MICHAELS  
TALBOT COUNTY, MARYLAND  
IN THE INTEREST OF NAVIGATION

Notice is hereby given that the report on St. Michaels, Talbot County, Maryland, regarding the advisability of an improvement in the interest of navigation authorized by the River and Harbor Act of 24 July 1946 (Public Law 525, 79th Congress), and concerning which a public hearing was held on 24 September 1947 at St. Michaels, Maryland, has been made by the District and Division Engineers. Based on information now available, the reporting officers find that provision of the desired navigation improvements at St. Michaels is economically justified, and recommend provision of a channel 6 feet deep and 50 feet wide, from that depth in the inner harbor to and including an anchorage basin of the same depth, 100 feet wide and 200 feet long, located at the head of navigation at Chew Avenue, at an estimated Federal cost of \$21,000 exclusive of aids to navigation and preauthorization studies, subject to the condition that local interests:

(1) Provide without cost to the United States all lands, easements, and rights-of-way required for construction and subsequent maintenance of the project, including suitable areas determined by the Chief of Engineers to be required in the general public interest for initial and subsequent disposal of spoil and necessary retaining dikes, bulkheads, and embankments therefor, or the costs of such retaining works.

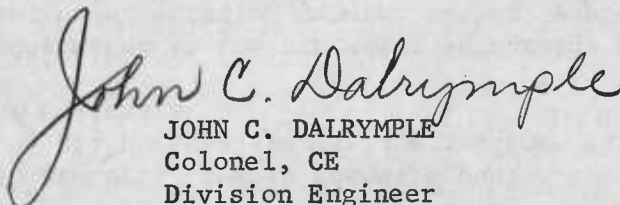

(2) Hold and save the United States free from claims for damages that may result from the construction and maintenance of the project.

(3) Provide and maintain at local expense adequate public terminal and transfer facilities open to all on equal terms in accordance with plans approved by the Chief of Engineers.

The plan of improvement described in the preceding paragraphs has been adopted for accomplishment under existing general authority provided by Section 107 of the 1960 River and Harbor Act which provides for the construction of small river and harbor improvement projects not specifically authorized by Congress, provided the cost does not exceed \$200,000.

The project has been placed on the list of projects approved for construction when funds become available. Accordingly, no further action toward authorization of this project is necessary.

You are requested to give the foregoing information to any persons known by you to be interested in the Report, and who, not being known by the Division Engineer, do not receive a copy of this public notice.

Washington - D. C.

Dear Mr. Blesser:

The Commissioners of St. Michaels have appointed Mrs. Helen K. Plummer, Commissioner of St. Michaels, Mr. Guy W. Reeser Jr., Mrs. Jennings B. Gullin, Mr. & Mrs. E. G. Van Lennep Jr. and Mr. & Mrs. Alex J. Spencer as a committee to represent the Commissioners in requesting that the proposed new Post Office building to be erected on the property of Alex J. Spencer on Gallop Street be of colonial type architecture. The Maryland National Bank building which will adjoin the

new post office building will be of a colonial design.

The commissioners hope that all future buildings and remodeling of existing buildings will conform with this type of architecture so that St. Michaels can preserve its charm and attract many visitors and people interested in establishing homes in our community.

Very truly yours,

Commissioners of St. Michaels

CERTIFIED PUBLIC ACCOUNTANTS  
Hurlock, Md.

September 21, 1949

The Honorable Board of Commissioners  
For the Town of St. Michaels,  
St. Michaels, Maryland.

Gentlemen:

We have made an examination of the accounts and records for the Town of St. Michaels, Md., for the fifteen month period from April 1, 1948, to June 30, 1949, and present herewith statements and supporting schedules which, in our opinion, properly reflect the result of administration for the period as well as the financial condition as of the close of the period.

The Statement of Assets and Liabilities, Page 1, shows a net working surplus amounting to \$48,549.75 as compared to \$35,651.60 at the close of the period ending March 31, 1948. The net working surplus consists of cash and receivables amounting to \$48,549.75 less amount due for employees' income tax withheld amounting to \$40.50. It should be noted, however, that the cash includes an amount of \$25,363.31 shown as Investment Fund which is restricted as to its use. This amount is available for expenditure only for purposes of permanent improvements and not for current administrative expenditure. After eliminating this amount there remains a working surplus of \$23,186.44 as compared to \$18,664.88 at the close of the previous period or a net increase of \$4,521.56.

The increase in working surplus is the result of an excess of income over administrative costs in the amount of \$14,077.35 as shown by the Statement of Income and Expenses, Page 13, reduced by \$3,573.32, which was income accruing to the Investment Fund or a net excess of \$10,759.83 accruing to the General Fund. This amount is reduced by capital expenditure represented by a reduction in the amount on bonds outstanding of \$1,500.00; a reduction in notes payable of \$150.00; additions to the Water System amounting to \$1,323.31; and additions to Street Improvements amounting to \$2,890.46 which leaves a net increase in working surplus of \$4,521.56 as shown above.

The Investment Fund, Page 3, to which is deposited the cash paid over from the St. Michaels Utility Commission and income from interest on bonds, representing the Special Improvement Fund of \$20,000.00 and the Sinking Fund of \$60,000.00, shown as Other Assets, Page 1, as well as interest on savings accounts, has been increased \$3,376.59 as follows:

Cash from Utility Commission	\$ 3,000.00
Interest on \$30,000.00 U. S. Bonds	317.52
Interest on Savings Account	8,376.59

A detailed statement of all disbursements from the General Fund will be found on pages 9 to 12 of this report. All expenditures which affect the cost of administration have been grouped to agree with the items as shown by the Statement of Income and Expenses, Page 13, with the exception of interest paid and payments to the St. Michaels Volunteer Fire Co. A portion of the total payments for these items were made from other funds and would not be shown in their entirety as disbursements from the General Fund. The additional amount paid the Volunteer Fire Co. is shown disbursed from the Fire Department Fund, Page 6. The additional interest paid will show disbursed from the Water Extension Fund, Page 5, and the Street Improvement Fund, Page 7.

The following is a comparison of the taxes receivable at the close of the current period and the period ending March 31, 1948.

LEVY	6-30-48	6-30-49
1941	\$ 3-31-48	\$ 6-30-49
1944	6.20	25.29
1945	171.31	9.85
1946	614.60	17.00
1947	1,764.07	610.14
1948		1,544.34

Total \$ 2,581.47 \$ 2,181.33

The amount of unpaid Water Rent charges at the close of the year amounted to \$1,210.95 as compared to \$2,791.64 at the close of the period ended March 31, 1948.

The following amounts have been charged to the town by the St. Michaels Utility Commission for current furnished during the year. The town made no cash expenditure for these amounts and the item is not included in the cost of administration in this report but are shown here for information as to the cost of this item had it been necessary to pay for the current.

Street Lighting	\$ 1,048.55
Pumping Water	713.20
Fire Department	55.27
Utilities Shop	11.26
Office	1.31
Light Pumping Station	15.00
Woman's Club	10.25
Boy Scouts	
Total	\$ 1,866.03

We have accrued all amounts due from the State of Maryland and Talbot County for income accrued as of June 30, 1949. The Statement of Assets and Liabilities, Page 1, shows the amount due as of that date. The accrual of these amounts is also reflected in the Statement of Income and Expenses, Page 13, as income in the class affected. This procedure has been followed to make the income for the fiscal year, as shown by the Income and Expense statement, agree with the actual income actually received which invariably shows some income received which was earned in the preceding year and omits other income accrued but unpaid at the close of the year.

We wish to express our appreciation for the opportunity to be of service to you and for the courtesy and assistance extended during the examination.

Respectfully yours,

## NOTICE OF PUBLIC

### HEARING

Notice is hereby given that an application has been made to the undersigned by John P. Cosden and Mary E. Cosden, his wife, of Baltimore, Maryland, to re-zone all that tract of land containing 6.3 acres, situate on the East side of the public road leading from Easton to St. Michaels, now owned by said applicants, from its present classification of "Residential" to "Commercial". The application further states that the construction of a super food market and parking lot on said property is contemplated. A public hearing on said application will be held on Monday, May 9th, 1955, at 8 P. M., D.S.T., at the Town Office in St. Michaels, Maryland, at which time said application will be considered in accordance with the terms and provisions of Article 66 B of the Annotated Code of Maryland.

COMMISSIONERS OF  
ST. MICHAELS.

By: Mary A. Sewell, Clerk.

4-21-3t

Resolved by Commissioners of St. Michaels  
a corporation of the State of Maryland, that the following  
officers of said corporation; namely, the President, ~~and~~  
~~Treasurer~~, and Secretary, or Treasurer, are hereby authorized,  
in behalf of said corporation, to borrow money from St. Mich-  
aels Bank, St. Michaels, Maryland, and to make and deliver the  
note, notes, or other obligations of this corporation, in form  
required by said Bank, for payment of any sum so borrowed,  
pledging any of the property of said corporation therefor.

Witness the corporate seal of said CommissionerSof St. Michaels  
hereto affixed, and the signatures of the  
proper officers of said corporation this 13th  
day of October 1933. Commissioner of St. Michaels,

EB Sewell

President.
